COMMUNITY RUGBY LEAGUE MEMO

RE: Live Streaming Junior Games – Community Rugby League
TO: All Regions, Clubs and Leagues
FOR: URGENT DISTRIBUTION

I refer to my memo dated May 8, 2024, regarding changes to the [Positive Environment Program](#) in support of the [NRL Child Safety guidelines](#). I would like to emphasise the following:

The posting of images of children without parent or guardian consent extends to the live streaming and publishing of clips and matches on any platform. Therefore, it is required to obtain permission from the parent or guardian of each child in the footage prior to publishing.

To ensure compliance with these policies and to protect those families who may have domestic violence orders in place, consent must be obtained from the parent or guardian of each child participating in the game.

Failure to obtain this permission may result in a breach of this policy and could lead to disciplinary action in accordance with the Positive Environment Program.

Yours Sincerely,

Adam Vanzanten
General Manager of Community & Competitions
